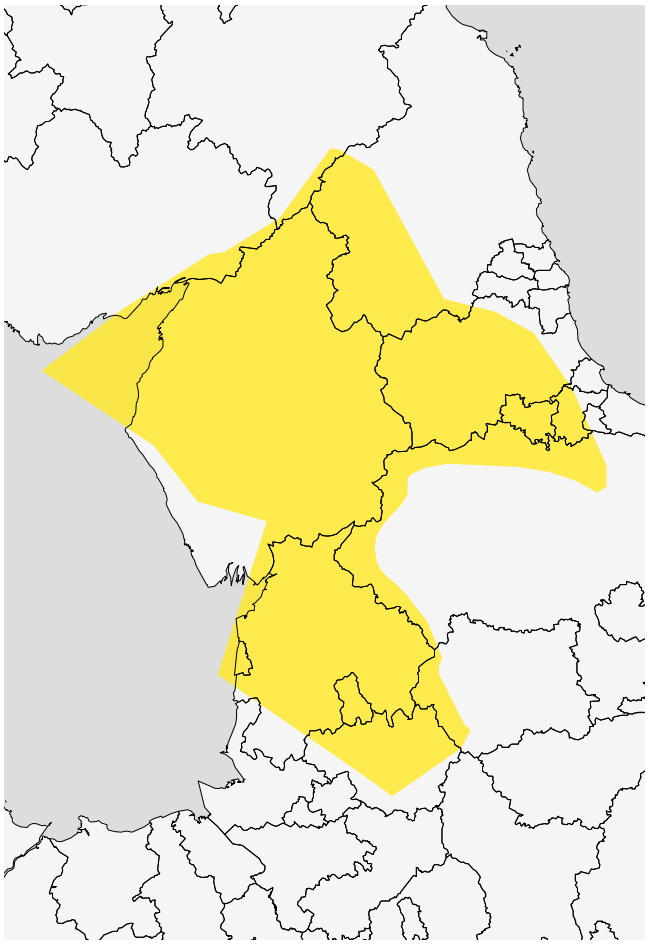
Yellow warning
Rain

Between
12:00 Fri 21 Feb 2020 and
06:00 Sat 22 Feb 2020



Rain will become persistent and heavy, especially over hills, and may lead to flooding and travel disruption.

What to expect

- Flooding of a few homes and businesses is likely
- Bus and train services probably affected with journey times taking longer
- Spray and flooding on roads probably making journey times longer
- Some interruption to power supplies and other services likely

Further details

Further rain is expected across northern England on Friday. Rain will turn persistent and occasionally heavy over parts of the Pennines before clearing early on Saturday. 20-30 mm is likely to fall widely over higher ground with the potential for 50-70 mm in a few places. Given the recent wet conditions this brings a risk of flooding.

Reason for update

Update to area to remove Derbyshire, Nottingham and Nottinghamshire.

Medium likelihood of low impacts
